

La Vernia United Methodist Men Family Outing 2010

Port Aransas, TX

June 18-20, 2010

Join us and celebrate Father's Day weekend in Port Aransas this year. It is time for the 3rd Annual UMM trip to Port Aransas.

What is different this year? This year we have decided to make it a family event with opportunities for more people. The fishing and other activities will be open to all. We have expanded opportunities to include not just deep sea fishing, but also bay fishing, golf, or just lounging around the beach.

We are also planning on having a BBQ get together at the end of the day Saturday to celebrate together.

We are currently in the planning stages and need to quickly reserve tee-time, boats, and block hotel rooms. The following questionnaire will help us in making the proper activity arrangements.

All scheduled activities will be on Saturday. Times will vary depending on availability and interest. Please indicate number participating in each activity.

I would like to do the following....
