LVUMC Child Care Ministry

Our mission here at LVUMC CCM is to offer a variety of activities conducted in a Christian atmosphere, dedicated to the child's physical, social, emotional, intellectual and spiritual growth and to make disciples for the Lord Jesus Christ.

We believe that through Christian caring, each child is helped to grow in independence and to develop his or her own unique talents and ability. Our program is a ministry to the children, parents, congregation and the surrounding community of La Vernia United Methodist Church.

Non-Discrimination Policy

LVUMC CCM does not discriminate on the basis of gender, race, color, religion, or national or ethnic origin in admittance, education or other administrative policies and extends to all the rights, privileges, programs and activities generally made available to students at the school.

Animals

From time to time, CCM may have classroom pets that meet the requirements by Texas Child Care Licensing. A notice to parents will be posted outside any classroom door when a pet is present.

Birthdays

Most children enjoy celebrating special events with their preschool friends (birthdays, new babies, and holidays). Parents may send a “store bought” treat to share with the class. Please make arrangements with the teacher several days in advance.

Biting

Biting can be an uncomfortable issue for parents and teachers. Parents of a child who is bitten are often outraged and angry. Parents of the biter may feel embarrassed and frustrated. The best way to deal with biting is consistency between providers and parents. Biting could occur for multiple reasons. Proper communication will help determine why a child is biting. If the behavior persists, the next step will be determined on a case to case basis, but may include referrals to appropriate community resources, and/ or discharge of the child from Child Care Ministries.

Cell Phones

Proper parent communication is imperative when working with young children. It is difficult to communicate when cell phones are in use. Effective December 1, 2010 Texas Department of Family and Protective Services passed new regulations prohibiting the personal use of cell phones in classrooms. Please help us to stay in compliance with this standard and NOT call or text teachers during school hours.

Breastfeeding

Child care ministries will provide a comfortable place with a seat for mothers to breastfeed their child if they choose to do so. Parents may also provide breast milk for their child to be served while in our care.

Child Abuse Reporting Law Requirements

Child Care Ministries staff are REQUIRED by Texas state law and licensing requirements to report immediately to the police or Child Protective Services (CPS) any instance when there is reason to suspect the occurrence of physical, sexual, or emotional child abuse, child neglect, or exploitation. Our staff receives annual training on recognizing and preventing abuse and neglect, including sexual abuse. Child Care Ministries has made a commitment to help increase awareness and prevention techniques to employees and parents through trainings, posting information, posters, brochures that promote healthy parenting, child safety and how to report suspected abuse. Child Care ministries will share information with parents and staff through emails, newsletters, parent meetings, and staff meetings on how to build and encourage positive relationships between parent / child and teacher / student.

The staff may not notify parents when the police or CPS is called about possible child abuse, neglect, or exploitation, except on the recommendation of CPS or the police when they are called.

Some examples of abuse and neglect are: leaving a child in a vehicle unattended, not securing a child in a seat belt or booster seat, unexplained marks or bruises on opposite sides of the body, and child hygiene issues.

If parents feel they need assistance with possible child abuse, neglect, or sexual abuse, we encourage you to get help. Please call the National Parent Hotline at 1-855-427-2736 or visit www.helpandhope.org/find-help

The statewide Abuse & Neglect phone number is 1-800-252-5400, if you would like to report any suspected abuse or neglect.

Child to Staff Ratios

Child Care Ministries is in compliance with state ratios in all classrooms, but will never be non-compliant unless under emergency situations.

Classroom Assignments

Classroom assignments are based on each individual child's chronological age, developmental age, emotional age, and physical age. Child Care Ministries typically will transition children to new classrooms twice a year, however from time to time we may request a transition sooner based on the individual child's needs.

Compliance History

CCM is licensed and regulated by the Texas Department of Family and Protective Services and we follow the Texas Minimum Standards for Child Care Centers. Parents may review a copy of these standards in our administrative office or view the standards online at

www.dfps.state.tx.us/Child_Care/Child_Care_Standards_and_Regulations/default.asp

Confidentiality

While your child is enrolled in our program, parents may come across confidential information about our program or our staff. All information received from Child Care Ministries must remain confidential at all times. Breaching confidentiality may lead to disenrollment.

Custody Situations

Child Care Ministries **WILL NOT** get involved with custody disputes. Childcare Ministries will follow a court order exactly as written. If your family has a court order on file, please provide us with the most recent copy. **PLEASE NOTE: PER STATE LAW, IN THE ABSENCE OF A COURT ORDER, BOTH PARENTS HAVE EQUAL RIGHTS.** With this being said, it is imperative that all enrollment forms are complete with both parent's information. A copy of a child's birth certificate may be requested at the Director's discretion. In the event that a custody dispute takes place on our property, the local police will be called and asked to handle the dispute. Our staff will not be placed in the middle of such disputes. If a custody issue creates a risk for our facility or staff, Child Care Ministries has the right to terminate care.

Discipline and Guidance

CCM staff members are trained to use a positive method of discipline and guidance that encourages self-esteem, self-control and self-direction. Just a few examples used in this situation are: praise and encouragement of good behavior instead of focusing only upon unacceptable behavior; reminding a child of behavior expectations daily by using clear, positive statements and redirecting behaviors. Using brief supervised separation or cool down time from the group when appropriate for the child's age. CCM staff will never use Corporal Punishment or negative discipline that may hurt or humiliate a child.

Research has shown that positive guidance teaches children skills which help them get along in their physical and social environment. This aim is to develop personal standards in self-discipline, not to enforce a set of inflexible rules. Giving children understandable guidelines and redirecting their behavior helps them to develop internal control of their actions and encourages acceptable behavior. Positive cooperation is required from the family when dealing with disruptive behavior. We feel that consistency from all parties involved is the best way to handle these issues. CCM reserves the right to terminate care for the child for discipline problems at any time.

Emergency Preparedness Plan

Below is the Emergency Preparedness Plan designed for Child Care Ministries. Parents are encouraged to read this information carefully. In the event a parent is present in the building during an emergency, Childcare Ministries will ask parents to participate accordingly. During any emergency the best course of action is the BREATH AND STAY CALM, know how many children you have, and have your sign in and out log and transition sheets in your hands.

If you have children of your own in the facility, but in another classroom, trust that their teacher will take care of them just as you are taking care of the children in your care.

In all situations in this Emergency Preparedness Plan, the director or designated person in charge will notify Child Care Licensing, the Director or designated person in charge may delegate any portion of his/her duties to other staff members, volunteers or emergency personnel as he/she deems necessary.

- It can be helpful to quietly sing songs with the children to help them keep calm.

Food Service and Preparation

CCM is a participant of the USDA's Special Nutrition Program. We do not charge an extra fee for meals or snacks. In accordance with Federal Law and U.S. Department of Agriculture policy, this institution is prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability. To file a complaint of discrimination, write to USDA Director, Office of Civil Rights, 1400 Independence Avenue, SW, Washington DC 20250-9410 or call (800) 795-3572.

CCM supplies cereal, baby foods, and iron fortified formulas for infants. Parents are asked to complete an "infant feeding sheet" at the beginning of each month. This instructs us on how to feed your baby according to your directions.

CCM provides breakfast for all children present by 9:00am. Lunch is served at 11:15am. Afternoon snack is served after the rest period around 2:30pm and again at 3:30pm for the school age kids as they arrive after school. Menus are sent home every Friday as to what will be served the following week. Please advise the center of any allergies. If a child requires an alternative meal or subs tuition, a note from the doctor is required.

Gang-Free Zone

Under the Texas Penal Code, any area within 1000 feet of a child care center is a gang-free zone, where criminal offenses related to organized criminal activity are subject to a harsher penalty. Childcare Ministries is a GANG-FREE ZONE.

Grievances

Concerns will always be addressed. We ask that you first conference with your child's teacher. If you do not find a resolution, please set up a time that is convenient for you to meet with the Director. If you do not feel that the matter has been resolved or properly handled, please ask to be directed to the chair of the CCM school board. We respectfully request that you do not discuss issues or concerns about children or teacher in the classroom or hallways. We want to respect and open communication between everyone. If blatant disrespect is displayed to our staff or administration, you will be asked to withdraw from our program. Please do not hesitate to discuss any matter in a conference. We are always looking for ways to improve our program and strive to maintain the high standards of Child Care Ministries.

Illness and Exclusion Policy

Children who are ill should not attend preschool. Child Care ministries observe the standards set by the Texas Department of Family and Protective Services for ill children. The most common standards for exclusion are:

- Illness that prevents a child from participating in child care activities, including outdoor play

- The illness results in a greater need for care than caregivers can provide without compromising the health, safety and supervision of the other children.
- Oral temperature of 101 or armpit temperature of 100.
- Symptoms and signs of possible severe illness such as lethargy, abnormal breathing, uncontrollable diarrhea, 2 or more vomiting episodes in 24-hours.

If a child becomes ill while in our care, we will contact the parent immediately. We will care for the child apart from the other children with proper supervision and give extra attention to hand washing and sanitation practices.

Parents need to pick up children within 1 hours of notification. In the event of severe illness or injury, or if a parent fails to pick up their child within a reasonable amount of time, CCM may call for an ambulance at the parent's expense.

If a child is sent home sick from our program, they may not return until the child is symptom free for 24 hours.

Inclement Weather

Child Care ministries will be closed if weather conditions are severe enough to cause the La Vernia ISD to close. Please listen to the local television or radio stations for school closures. The director may contact you through email as well. There will be no make up days nor will tuition be refunded in the event of closure due to weather.

Immunization Requirements

Immunization records must be current for all children enrolled in the Infant-Toddler, Preschool and Pre-K programs. A copy must be in child's file. It is the parent's responsibility to ensure that your child's immunizations are current. Failure to keep children current on immunizations may lead to disenrollment.

Medication

Please inform your physician that your child is in full day or part day preschool and that you prefer to give medications at home, morning and evening. Knowing this, many doctors will order longer acting medications. Limiting medications dispensed away from home prevents medication errors. Please remember, CCM is designed for well children. If medications need to be administered at school, the following conditions must be met:

- Prescription medications will be accepted only if it is in the original container and hasn't reached its expiration date.
- Before any prescription medication can be administered, we must have permission in writing by the child's parent or guardian. Please fill out the medication forms and enter instructions into the Daily Medication Log Book. Please bring a copy of the information given to you by the pharmacy.
- Medications need to go home after the last date that the medication is administered.

Health forms are required to be complete at the time of enrollment showing any allergies, physical handicaps, a statement of general health, and a current immunization history. These must be updated and kept current.

Medication may be given to children with a signed medical information sheet. These are located in CCM Administration office.

Minimum Standards for Child Care Centers

CCM is licensed and regulated by the Texas Department of Family and Protective Services and we follow the Texas Minimum standards for Child Care Centers. Parent may review a copy of these standards in our administrative office or view the standards online at

www.dfps.state.tx.us/child_care/Child_care_standards_and_regulations/default.asp.

Outdoor Play

Outdoor play is a regular part of the daily routine. Children should be prepared to play outside some part of everyday. Please do not request that your child stay indoors. Per the Texas Department of Family and Protective Services, children too sick to go outside should not be at school.

Parent Code of Conduct

Please understand, young children are present in our building. Some adult language is not appropriate for young children. Childcare Ministries prohibits swearing or cursing on our property. Please respect that. Threatening staff, children or other parents will not be tolerated per Texas Department of Family and Protective Services. Child Care Ministries has the right to terminate care in the event of disruptive behavior from a parent or guardian.

Child Care Ministries must follow rules on discipline and guidance as outlined in the Texas Minimum Standards for Child Care Centers. All adults, including parents, must follow these rules while on our property.

Parent Participation

We encourage parent involvement, especially when helping with class parties. Also, if you have a concern, please schedule a time to meet with the classroom teacher and or the director of CCM.

Parent Notifications

Open communication with parents is very important to children's success. CCM has multiple ways of communicating with parents. In some situations, parents may be asked to sign documents acknowledging that communication has taken place. Listed below are ways that CCM may communicate with parents:

- Through email notifications
- Written memos placed in your child's communication cubby/daily folder
- Social media site such as Facebook
- Verbal communication with the child's teachers and director

Parent Responsibilities

Children must be signed in and out daily by the custodial parent or adult approved by the parents. Parents who fail to sign children in or out may be charged a \$5 penalty for each occurrence.

In order to not confuse school toys with a child's personal property, we ask that children not bring play things from home. Child Care ministries staff cannot be responsible for lost or broken personal toys. Two exceptions to this are stuffed animals for use during naptime by full day preschool children and for Show and tell purposes. You will be notified by your child's teacher if and when the class will have show and tell.

There are several ways you can help us maintain the best possible teaching atmosphere for your child:

- Communicate any concerns regarding our program or your child immediately to staff.
- If your child is going to be absent, please let us know by calling (830) 779-5117 before 9:30am. If your child is absent due to illness, please make us aware so that we are able to post the correct posting on the classroom doors.
- Pick up and read the notices and information left for you in your child's folder and or posted outside of your child's classroom, on bulleting boards outside CCM offices, or in e-mail.
- Pick up your child's papers/projects daily. Their work is very important to them and provides another means of communication between parent and child and helps the parent share in the child's day.
- Please be aware of the scheduled meal times of breakfast and lunch, 8:00 and 11:15am, and make sure your child arrives in time to be included in those meals.

- Please do not allow your child to bring gum or candy to the classroom. We STRONGLY encourage you to allow your child to eat what we are serving that day, unless, of course food allergies are concerned. In that case, we ask that you bring a note from your physician. Any food brought from home will only be served at the same time that the other children are eating and MUST be taken home at the end of each day.
- CCM will apply sunscreen to your child before going outside, ONLY if you have filled out and signed and turned in the Sunscreen Permission Slip. CCM supplies Coppertone SPF 50 for children or you may supply your own.
- CCM will apply insect repellent to your child during spring and summer months, ONLY if you have filled out, signed and turned in the Insect ant Repellent Permission Slip. CCM DOES NOT supply insect repellent.

The Texas Department of Family and Protective Services does not allow smoking on the premises, either indoors or outdoors.

Personal Belongings

Parents must supply all bottles for their children and a spill proof cup for Tiny Tots and toddlers. Please label all personal belongings with child's first and last name. We use washable crayons and markers and paint during art time, but the children's clothing may get stained form just being kids! Please dress your children in play clothes since PLAY is what we do! Please leave all valuable items at home since Childcare Ministries cannot be responsible for broken or lost items.

Photographs

Child Care ministries believes in the benefit of using real life pictures in our educational program. Photos taken of the children will be done with a cell phone and will only be used in our program. If parents choose to take pictures of events held at our program, they may only photograph their child, unless written permission is given by the other parent. Please note: during certain parent events, such as Pre-K graduation, Christmas Programs and other school wide activities photographs may be taken. If you wish for your child to not be photographed, you may want to remove them from these events.

Procedures for Handling Emergencies

In case of minor injury or accident, the staff will administer basic first aid. All injuries or illnesses not requiring immediate parental notification will be documented and reported to parents when the child is picked up at the end of the day.

In case of medical injury or illness requiring immediate professional care (emergency), the staff will call 911, giving the location and nature of emergency. As appropriate, the staff will administer CPR or first aid measures. Parents will be notified immediately. For this reason, it is of utmost importance for you to leave a number where you can be reached. You must pick up your child immediately upon learning of illness. If parents are unavailable, those individuals designated as emergency phone contacts will be notified. All children must have an emergency medical release form on file in case of such an emergency.

If a child ingests or comes in contact with a poisonous substance the staff will contact the Poison Control Center 1.800.222.1222

Questions or Concerns

If parents have questions or concerns about our program, we encourage you to have open communication with your child's teacher and the center Director. Through open communication, we can ensure that all parties are well informed and working as partners in the child's education.

Release of Children

Per Texas state law, parents have a right to access their child at any time. However, we strongly encourage parents to drop off their children by 10:00am each day so that the child can take part in our full educational program. In the event that a parent is unable to pick up their child, they may authorize another legal adult to pick up. Children will not be release to a minor. Authorized adults must be listed on the enrollment form to pick up and the authorized adult must bring picture ID. Children will not be release to adults without a picture ID. Upon release of your child, you will document the time and will initial the sign in and out sheet. This is mandated by the state and used for our auditing purposes.

Rest Time/ Nap Time

Supervised rest periods are provided for all children under five years of age who remain at Childcare ministries for six or more hours a day and for all other children who show a need for a rest time. All children must bring a blanket, and a nap mat.

A nap or rest time is part of the schedule for the Day School classes (rest time is generally 12:00pm-2:00pm). Please take home the mat and bedding at the end of the week so that you can ensure it will be clean upon your child's return to school.

Infants not able to turn over on their own will be put to sleep on their back in their own crib. There will be no toys, pillow, blankets or any other soft items that could get near the baby's face allowed in the crib. Also, infants must not have their heads, faces, or cribs covered at any time by items such as blankets, linens, or clothing. We will not use sleep positioning devices such as wedges, or infant positioners. Infants will be placed on firm mattresses, with a tight-fitting sheet, in crib that meets the CPSC federal requirements for non-full-size cribs.

TDFPS requires a minimum of two hours quiet / nap time for all children after lunch. **WE DO NOT ALLOW PARENTS TO PICK UP OR DROP OFF DURING THIS TIME WITHOUT PRIOR ARRANGEMENTS BEING MADE WITH THE ADMINISTRATION.**

School Safety Policies

Parents need to personally escort their child inside the building to sign in and out when their children enter and leave the facility. Each classroom has a window for viewing activities from the hallway. Parents are welcome to visit the center any time during the day to observe their child without prior approval. However, if you would like to stay and spend time with your child during activities, please see the office so we can do a proper criminal history check as required by the Texas Department of Family and Protective Services.

Withdraw From LVUMC CCM

Thirty (30) day written notice must be given to withdrawing a child from Child Care Ministries. You will be responsible for the following month's tuition. For example, if you have given written notice on September 1st that your child will no longer attend our program in October, you must pay September's tuition and your child will still be enrolled and able to attend during this 30-day period.

****Please remember that your child's tuition pays his or her teacher's salary! ****
